Provisional Committee Interest Form

(This portion of your application will be forwarded to the Vice President of Planning & Placement)

As a Sandpipers member, you are required to complete 10 committee points. These points are acquired by fulfilling your responsibilities on either one 10-point committee or two 5-point committees. As a provisional member you will be placed on a committee(s) with the most need, although we do consider your time constraints. Active members with the most seniority have priority. Please fill out this form carefully because your placement will be based on your responses to these questions and Sandpipers' need at the time.

1. Please consider your time constraints from August of this year through June of next year. If appropriate, please list the times of year where you have significant personal responsibilities that may conflict with Sandpipers responsibilities. For example, *"My family always vacations together the first week in March."* *"I'm a tax attorney. April and May I am completely swamped at work."* *"I'm having a baby late November."* \_\_\_\_\_
